SPECIAL DOG EXCELLENCE GRAIN FREE FORMULA ALL BREEDS DUCK WITH POTATOES is a complete pet food formulated with ingredients that ensure the well-being of our four-legged friends every day. The recipe is formulated without cereals thanks to the selection of alternative carbohydrate sources such as potatoes. n-3 fatty acids support healthy skin and coat, also giving shine to the fur. The recipe is enriched with FOS (fructo-oligosaccharides) and MOS (mannan oligosaccharides) which promote normal gastrointestinal transit, and help to maintain the balance of intestinal microbial flora.
