COMPLEMENTARY PET FOOD
FOR ADULT CATS

FILLED AND CRUNCHY

ADULT • DENTAL WITH RABBIT AND PEPPERMINT

MONGE GIFT DENTAL CAT WITH RABBIT AND PEPPERMINT is a complementary pet food for adult cats. Specifically developed for the well-being of your cat thanks to an external crunchy layer with sodium tripolyphosphate to support dental hygiene and a soft peppermint filling for fresh breath. A product formulated without cereals and with rabbit to optimise food palatability and digestibility. The formulation is enriched with taurine to support visual acuity and a regular heart function and with vitamins for daily vitality. The inclusion of functional ingredients, such as sodium tripolyphosphate to support dental hygiene, brewer's yeast to support the body's defense system, and salmon oil, a source of omega 3, is the result of Made in Italy research. No added artificial preservatives and sugars.

COMPOSITION: Potatoes, dried rabbit (10% equal to 25% of fresh rabbit), dried salmon, peas, animal fat (purified at 99.5%), hydrolysed animal proteins (liver), fish oil (salmon oil 0.5%), products from the processing of herbs (peppermint - *Mentha piperita L.* 0.5%), brewer's yeast (0.5%), sodium tripolyphosphate (0.2%).
